SCREENSHOTS

The screenshots illustrate the software's capabilities across different areas:

- Before Exporting to Tally:** Shows an 'Employee List' table with columns for Sr No., Employee Name, Working Days, and Public Holidays. The list includes employees like A.K. Shaikh, Anand A. Gore, Anan Singh, Ashok M Pawar, Binay Rajhwar, and B.K. Choudhary.
- Zeit Configuration:** Displays a menu for reports such as Clocking Schedule, Daily Attendance, and Department List. It also shows a 'Reports' dialog box with options for 'Preview' and 'Download Report'.
- Employee details:** Shows a 'User Details' form for Binay Rajhwar, including fields for Name, Employee ID, Department, and Contact Information.
- Integration with TALLY:** Displays a detailed data table for employee attendance and transactions, showing columns for Date, Time, and various status indicators.
